

FINE ART

GWC Fine Art has proven itself as one of the few service providers in the Middle East, capable of offering highly specialized fine art logistics services. Using industry-specific warehousing, trucking and manpower assembled on the best international museum standards, GWC Fine Art handles every step of the irreplaceable pieces of art.

Passion

GWC encourages a culture of performance at every level, ensuring customer loyalty through delivering world-class services, solutions, and infrastructure. By acting as the client's diligent partner, GWC will tailor logistics and supply chain solutions that increases efficiency and reduces CAPEX.
